17/12/2020	Secondary School Show – Theatre Alexis Peyret
18/12/2020	Winter Holiday begins - half day

This week in the **Primary school assembly**, we read about a little girl called Pearl, who found it difficult to make the right behaviour choices at school. With the help of her teachers and friends, she was able to make a change and as a result she and her friends all became much happier.

Continuing the theme of positive behaviour choices, the Green Team were awarded the House Points Trophy, for having collected the most house points during the last two weeks! Clementine and Kasim collected the trophy on behalf of the Green team in the first assembly, and House Captian, Alice, collected it in the second assembly.

Delfina showed that her positive behaviour choices are paying off as she was awarded the first individual certificates of the school year. She won her **Bronze Award** for merit and a reading award for already having read 25 books this year - And she's only in Grade 2!!

Finally, we must say a huge congratulations to Miss Keswani, Miss Sabrina and the Reception Class children. They came to the assembly for the first time and were absolutely amazing! They sat nicely, they listened carefully and some of them even put their hands up to contribute! Everyone was so impressed with them!

AT4 tests are underway with G10 taking the tests on Wednesday 07 October during lessons 3 and 4. Students will receive their score information in the week prior to half-term. If you would like a 'Parent Report' please contact me to arrange a 15 minute discussion when I can explain the report to you.

iGCSE French and Spanish orals take place for our Grade 10 and 11 students on **Friday 09 October**.

On Tuesday 13 October, the French Author, J.C. Tixier will meet our Grade 10 FLM students during their French lesson.

In PSHE this week, Grade 9 displayed their excellent communication and listening skills in their first form debate of the year. Some politicians in the making for sure ! (Miss Julie Goigoux)

Early Years children working:

G1 exploring our senses of tasting and smell in Science

G4 in the library

Grade 5 Autumn poetry

Ms Susie's club

**Have a nice week
Très Bonne Semaine
Maria**
